About This Game

The tutorial will introduce new mechanics in a natural and exploratory way. As you progress the difficulty will increase while you master the nuances of each item and how it interacts with the world. You might find your brain hurting. The relaxed nature of King Rabbit allows you to take as much time and as many lives as you need. Once you're finished with that you can enjoy endless community levels and even build your own.

PLAY COMMUNITY LEVELS

Play levels created by the community! If you enjoy a level show the builder some love and give them a tip :). King Rabbit is very community driven.

BUILD LEVELS

Feeling creative? Create your own levels and earn tips from the community with your published levels. We couldn't keep up with player demand for levels so we created the level builder, the possibilities are endless.

SPECTATE

Watch other players play King Rabbit. Spectating experienced players is an entertaining way to learn the game.

BUILDER STATS

View statistics for your levels so you can track your performance. You can also watch replays of people playing your levels. This is a good way to see where your level might be too difficult or frustrating for the player.

CHARACTERS (COMING SOON)

(Coming soon) Buy limited edition rabbit skins! We will only sell 100 of each unique rabbit worldwide, get them while you can. You'll be able to show off your character when people spectate you and when people play your levels.

MORE CONTENT (COMING SOON)

(Coming soon) New items, skins, and level themes are on the way. These will be added slowly, thank you for your patience.

CROSS PLATFORM (COMING SOON)

(Coming soon) King Rabbit will be coming to console and mobile. You will be able to sync your progress on any device.
